Coverage Period: July 1, 2022 – June 30, 2023

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

Coverage for: Employee, Spouse, Children |

Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost of covered health services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** If you want more detail about your coverage and costs, you can get the complete terms in the policy or plan document at www.benefitsupport.biz or by calling (770) 532-2690. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider or other underlined terms see the Defined Terms section of the plan document or summary plan description.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u>?	\$2,000 person / \$6,000 family for Network providers, \$3,000 person / \$9,000 family non-Network providers. Per Calendar Year (January 1 st) Doesn't include Coinsurance; copayments; prior authorization and cost containment penalties; premiums don't count toward the deductible .	Generally, you must pay all the costs from <u>providers</u> up to the deductible amount before this health insurance <u>plan</u> begins to pay for covered services you use. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . See the chart titled Common Medical Event for how much you pay for covered services after you meet the deductible .
Are there services covered before you meet your <u>deductibles</u>?	Yes. <u>Preventive Care Services</u> and categories with a <u>copay</u> are covered before you meet your <u>deductible</u> .	The <u>plan</u> covers some items and services even if you haven't met the annual <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services, but see the chart titled Common Medical Event for other costs for services this plan covers.
Is there an <u>out-of-pocket limit</u> on my expenses?	Yes. \$7,900 person / \$15,800 family for Network providers, \$9,000 person / \$18,000 family for non-Network providers.	The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. Calendar Year Deductible, Medical Services coinsurance, medical and prescription copayments all apply toward the Medical Services Maximum Calendar Year Out-Of-Pocket. Out-Of-Pockets for Network and Non-Network Providers do cross apply. This limit helps you plan for health care expenses. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this Matters:
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, deductibles, prior authorization and cost containment penalties, amounts over allowed amount, (balance-billed charges for non-Network providers) and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Is there an overall annual limit on what the insurer pays?	No.	The chart titled Common Medical Event describes <i>specific</i> coverage limits such as limits on the number of office visits.
Does this plan use a <u>network of providers</u> ?	Yes. For a list of Network Providers, see www.benefitsupport.biz or call (770) 532-2690.	If you use a Network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Beware, your Network <u>provider</u> may use an out-of-Network <u>provider</u> for some services. Plans use the term panel, in-network, preferred, or participating for <u>providers</u> in their <u>network</u> . See the chart titled Common Medical Event for how this plan pays different kinds of <u>providers</u> .
Do I need a referral to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed in the box titled Services Your Plan Does Not Cover. See your policy or plan document for information about <u>excluded services</u> .

Summary of Benefits and Coverage: What this Plan Covers & What it Costs

Coverage for: Employee, Spouse, Children |

Plan Type: PPO

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use Network **providers** by charging you lower **deductibles, copayments** and **coinsurance** amounts.
