

Area Field Rental Prices

	Per Field, Per Day	Hourly Worker	On Average Total 4 Fields
White County	\$150	\$15/hr	\$825
Habersham	\$150	\$15/hr	\$825
Franklin County	\$125	\$15/hr	\$725
Stephens County	\$150	\$15/hr	\$825
Madison County	15% of estimated gross revenue	\$15/hr	NA
Commerce	\$225	\$15/hr	\$1,125
Jackson County	\$250 - 4 Field Facility (WJP)	\$15/hr	\$1,225
Banks County	\$300	\$0	\$1,200 (flat rate)

I calculated the “On Average” column from a typical tournament day.

A typical 1-day tournament begins (meaning lights on & fields unlocked) around 6:30a & finishes up usually at 11:00p, so on average approximately 15+ hours of work.

For those agencies who charge \$15/hr for a maintenance worker this adds 15+ hours of work time at \$15/hr for a total of an extra \$225 per tournament. More if the tournament runs late & double if the agency decides a second person is needed.

1. Compared to the 2 closest agencies, we are charging almost exactly what they are. Jackson County’s West Jackson Park facility with 4 fields is the most comparable to our facility & we actually charge \$25 less than them.
2. Using Google maps, I’ve calculated the proximity to Banks Crossing by mapping the distance from the TA Truck Stop to WJP and Windmill Park:
 - a. From TA to West Jackson Park in Hoschton it is 22.5 miles & a 28-minute drive.
 - b. From TA to Windmill Park here in Homer it is 5.6 miles & an 11-minute drive.
3. Jackson County’s next 2 closest comparable parks are Lamar Murphy and East Jackson Park. For these 2 facilities Jackson County charges \$1,200 for 5 fields at each park, with the addition of the \$15/hr worker that would make the on **average total = \$1,425.**
 - a. Proximity to Banks Crossing
 - i. Lamar Murphy is 11.9 miles & a 19-minute drive
 - ii. East Jackson is 10.8 miles & a 16-minute drive
