

GROUND BREAKING CEREMONY HUDSON RIVER WATER RECLAMATION FACILITY

A groundbreaking was held on August 20, 2022 at the site of the Hudson River Water Reclamation Facility. Shown lined up to toss a ceremonial shovel full of dirt are: (L-R) Former Banks County Board of Commissioners chairman Gene Hart and Jimmy Hooper, commissioner Bo Garrison, current BOC chairman Charles Turk and commissioners Sammy Reece and Danny Maxwell. Banks County public utilities director Horace Gee is shown to the left of the commissioners. Shown holding the banner are Eric Leiter, assistant project manager (left) and Kevin Spicer, project manager, both with Reeves Young
